# Technique Inspiration

The intersection of these two factors is where your style work begins. Hair designing emerges from the interplay between reliable technique and creative inspiration. "Texture x Holding" is what you need to style the hair the way you want it to look and feel. Smooth and beautiful form. Soft textue and bold movements. combines two different factors into one, and leads you to more freedom and excellence in hair designing.

# 3s

DEUXER medium smooth wax 3S

Keeping smooth and soft lightness

medium smooth wax

A medium-holding wax that keeps airy light movements. Its moderate holding controls soft and light movements. Best suited for curly styles and for designing hair-end movements.

#### recommended

medium-length to long hair

#### how to

Spread appropriate amount on the palms, apply from middle shafts to the ends along the hair flow as sliding the fingers. Gently pinch the hair-end curls for fixing the shapes.

# 5s

DEUXER hard smooth wax 5S

Best suited for men's short style, too.

hard smooth wax

A hard-holding wax that keeps smooth 3-dimensional shapes. Its strong holding creates airy volume and movements. Best suited for short styles and for designing bold overall movements.

#### recommended

short to medium-length hair

#### how to

Spread appropriate amount on the palms, apply from inner hair and raise the roots to create volume. Then slide fingers to the ends for designing the hair movements.

aqua gel wax

Holding firmly with wet-look separations

DEUXER aqua gel wax 6G

A firm-holding gel wax that creates wet-look shine. Its extra-strong holding creates obvious ridges and movements. Contains a style-keeping ingredient. Can be used on dry or wet hair, for point making, or even mixed with a wax.

#### recommended

short to medium-length hair

#### how to

Spread appropriate amount on the palms and apply to wet hair. Manipulate and design overall hair shape while fixing the hair-end movements. Can be used on dry hair as well.

### Smooth cream that easily blends in hands and hair

Macadamia nut butter and unique smooth-cream formula created easy-to-spread cream that easily blends in hands and hair that helps expressing ideal hair designs. The cream on hands can be easily rinsed out as well.

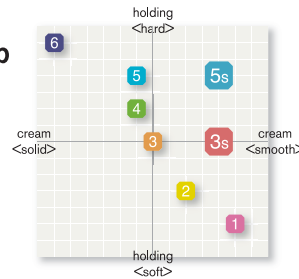

#### Macadamia nut butter

A treatment ingredient of plant butter that can be melted at human skin temperature and that can be easily spread without stickiness.

### Strong hold and long keep

By containing two wax ingredients in best mixing balance, the cream becomes very smooth yet it creates a strong hold and a long-lasting keep. User-friendly for styling hair to both stylists and consumers.

### Rose & floral-berry fragrance

A warm rose-based scent combined with a subtle sweet-sour berry-based scent. A cute image of berry within an elegant floral impression.
